

HAIR-A-THON

Saturday, Sept. 20, 2025
9 a.m. - noon

University of Michigan Health-Sparrow
Herbert-Herman Cancer Center, First Floor Lobby
1140 E. Michigan Ave., Lansing, MI 48912

Share Your Hair

We're cutting for a cause!

Share your hair for **Childhood
Cancer Awareness Month**

Hair donations go to **Maggie's Wigs 4 Kids of Michigan** or **Children With Hair Loss** — Both are Michigan-based organizations that provide free wigs to kids in need.

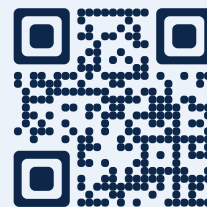

Things to Know

- Minimum donation length: eight inches
- Hair must be clean and in good condition
- Chemically treated and partially gray hair is accepted
- Monetary donations and previously cut ponytails or braids are welcome.
- For those who prefer, volunteers will be in front of HHCC to collect pre-cut ponytails and braids.

BONE MARROW REGISTRY DRIVE

Individuals 18-40 years of age can also register to join the **National Marrow Donor Program**. This registry connects patients with life-threatening blood cancers or diseases with a matching donor for a life-saving marrow transplant. Registration and swab collection will be available during the event.
